By accessing one of our websites in any manner you agree to the terms of this Privacy Policy.

What information do we collect from her visitors?

If you are a visitor to one of our websites, who registers or signs into one of our Newsletters on one of our websites, we may obtain the following types of information from you or your / device, which may include information that can itself be used to identify and/or contact you:

- Name
- Email address
- Phone number
- Website name and URL

We may also receive certain information that may be provided by your browser or mobile device, including:

- Pages accessed
- Time of visit
- Time of last visit
- Name of the owner of the IP address
- Reverse domain of the IP address
- Referring site, application, or service, including the relevant search queries that led you to one of our KYOCERA websites
- Browser information
- Operating system information
- Device information (e.g., device identifier, mobile operating system, etc.)

KYOCERA obtains most of the above information through Google Analytics, apart from the data the visitor enters himself in one of our information request forms on one of our websites.

What do we use your information for?

Any of the information we collect from you may be used in any or all of the following ways:

- To provide you use of and access to our websites and services.
- To operate, improve, and personalize our websites and services.
- To send periodic emails using the email address you provide to send you information, respond to inquiries, and/or other requests or questions.
- To comply with the law, enforce our website policies, prevent, detect, and investigate fraud, security breaches, potentially prohibited or illegal activities and to protect ours or others' rights, property, or safety.

We will use the obtained information internally for marketing, advertising or other purposes, which means only within the companies belonging to KYOCERA AERFAST Europe BV, of which the headquarters are situated in Almere, in the Netherlands.

How we protect your information?

We implement a variety of security measures to maintain the safety of Personally Identifiable Information and Client User Data when you enter, submit, or access the information.

We offer the use of a secure server.

How can I access my information?

You can request changes to the Personally Identifiable Information we keep on you by sending a request to info@kyocera-aerfast.be. We will respond to your request upon verification of your identity within a reasonable time frame and to the maximum extent practical.

Do we use cookies?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site or service provider's systems to recognize your browser and capture and remember certain information. We use cookies to compile aggregate data about site and application traffic and interaction so that we can offer better experience and tools in the future. We may contract with third-party service providers to assist us in better understanding our site visitors. These service providers are not permitted to use the information collected on our behalf except to help us conduct and improve our business.

Cookies are also used to store current session/login information for the Service.

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer to outside parties your Client User Data. KYOCERA Client Information may be transferred to trusted third parties who assist us in operating our Website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release KYOCERA Client Information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or other rights, property, or safety. Non-personally identifiable KYOCERA Client Information may be provided to other parties for marketing, advertising, or other uses.

We may also disclose KYOCERA Client Information, Client User Data and Personally Identifiable Information to allow for a change of ownership of KYOCERA (including, but not limited to, an acquisition by or merger with another company) and related transfer of all such information to the new owner, in which case any information remains protected in accordance with this Privacy Policy.

How do we respond to Do Not Track Signals?

We may track users over time and across third party websites and we do not respond to Do Not Track (DNT) signals. We do not use this information to provide targeted advertising. Third parties can collect personally identifiable information about your online activities over time and across different websites when you use the Website.

Children's Online Privacy Protection Act Compliance

We are in compliance with the requirements of COPPA (Children's Online Privacy Protection Act), we do not collect any information from anyone under 13 years of age. Our Website, products and services are all directed to people who are at least 13 years old or older.

Online Privacy Policy Only

This online Privacy Policy applies only to information collected through our Websites, but not to information collected offline.

Links

We may display links to third party websites. Please note that we cannot control and cannot be held responsible for the privacy policies of such websites. You should always read the privacy policy of a website to find out more about how personal information is collected and processed.

Social Media Sites

We may allow you to share information with third party social media sites, or use social media sites or other sites to create or connect to your account. Those social media sites may give us access to certain personal information stored by them (e.g., content viewed and information about the advertisements within the content you have been

shown or may have clicked on, etc.) from your interaction with the online services. You control the personal information you allow us to have access to through the privacy settings on that third-party website and the permissions you give us when you grant us access. By associating an account managed by a third party with your KYOCERA account and authorizing us to have access to this information, you agree that we may collect, use and store the information provided by these sites in accordance with this Privacy Policy.

Feedback and Posted Information

Certain features of the Website may enable you to submit communications, suggestions, ideas, comments, questions, or other information to us (collectively, "Feedback") as well as post information to the Website for review by all users of the Website ("Posted Information"). Feedback and Posted Information becomes public information and is submitted at your discretion. When you submit Feedback and Posted Information, you expressly consent to our collection, use and disclosure of such information in any manner.

Terms and Conditions

Please also visit our Terms and Conditions section establishing the use, disclaimers, and limitations of liability governing the use of our Website on our local website valid for your proper country – please see different mentioned websites in the first paragraph of this Policy.

Changes to our Privacy Policy

If we decide to change our Privacy Policy, we will post those changes on this page, and/or update the Privacy Policy modification date below.

This policy was last modified on October 17, 2019.
